

Christmas Play

It's that time of year and we have started to practise our Christmas production. We will shortly be allocating parts to the children so you will be able to provide a costume.

Due to limited space only 2 people per child will be allocated a ticket to the production. However we will be filming the dress rehearsal so you will be able to show the rest of your family. More information will follow shortly.

WOW Moments

We love the wow moments that you have been sharing. As well as learning about your child's achievements, those small pieces of paper give your child a sense of pride. Please continue to share, the slips of paper are available in the room.

Progress Reports

We will be conducting your children's progress meeting from this month. During this meeting you will meet with your child's key person and get a copy of their report. A member of staff from the room will be booking an appointment with you from this week.

Water Bottles

It is an Ofsted requirement that your child has independent access to water during the session. The easiest way for us to meet the requirement is for your child to bring in a named water bottle. This way your child does not have to ask an adult if they are thirsty, they can independently help themselves to their own water.

New Library

We would like to thank you for the book donations. Our library will be open on the 5th December. Children will be able to borrow books and read them at home with a family member. Feedback sheets will also be available for you to review the book with your child and return to your child's key person.

What we need

We like to use loose parts to promote our learning and currently we would like to extend a few of our collections with your help:

- Cardboard tubes
- Paper Plates
- Wrapping paper
- Cotton Wool
- Non working electrical equipment

Christmas Fair

Our Christmas fair will be on the 22nd November (12-4pm). There will be a number of stalls selling Christmas gifts and stocking fillers. Why not come along and bring family and friends to support our nursery?

What we are Learning

November

16th-20th:

Letter J

Number 10

Mog and the V-E-T – Learning about

different pets and discovering that Vets are people who help us.

Letter M

Number 3

The Bear Father Christmas Forgot –

Learning about reading and how people with a visual impairment read.

14th-18th

Letter N

Number 4

The Bear Father Christmas Forgot –

Learning about Christmas

Any Other News

Please remember to name all your child's clothing.

There has been a change to the date of the Christmas party. It will now be held on the 17th December.

We have a lot of children bringing toys in from home.

Unfortunately we do not have the space to store them.

Please can toys remain at home.

Please can you send in a named pack of baby wipes with your child?

We are still collecting photographs of your child on a bridge for our notice board.

During sessions we play in all weathers and sometimes we can get wet/messy. Please can you make sure your child brings spare clothing in their bag?

The weather has changed so please be mindful of this when dressing your child. The children have free access to the outdoors so will need appropriate outdoor clothing.

Bottle Donations

We will be collecting bottle donations for the Friends of Shotley Bridge tombola stall from the 16th - 20th November. We would be grateful if you could bring any donations to The Bridges room. Thank you ☺

Guess the Bridge?
