This month we are focusing on the season of Winter and will be looking at colour, light and language. We will be practising lots of action songs and rhymes for our Christmas concert and will be sending home words and lyrics so that you can sing them with your child.

We will also be carrying out lots of creative activities with the babies over the festive season. Please could you bring in any cardboard tubes, paper or materials which would be suitable for making wintery pictures! Thank you in advance.
